For the protection of people, goods, and spaces, our shading fabrics, boat cover fabrics, and outdoor furniture fabrics are the first choice. Become part of our innovative team. Sattler SUN-TEX GmbH in **Graz-Gössendorf** is looking to fill the following position:

TEXTILE DESIGNER (M/F/D)

Focus: CAD Design, Weaving & Trend Development

Your Responsibilities

- Develop innovative textile designs for outdoor and sun protection collections
- Create and refine designs using professional CAD systems (e.g., Penelope)
- Design and technically develop woven structures, weave patterns, and colour concepts
- Research, analyse, and interpret trends and market developments in textiles, interior design, architecture, and home living
- Prepare design presentations and technical documentation
- Collaborate closely with product management, development, and production teams across the group

Your Profile:

- Completed education or a degree in Textile Design or a comparable qualification.
- Experience with CAD software for textile design (such as Penelope, NedGraphics, EAT, Pointcarre, or similar).
- Knowledge of weaving technology, including weave construction, yarn properties, and technical feasibility.
- Strong understanding of color, materials, and design trends.
- Independent, well-structured, and solution-oriented working style.
- Basic German language skills, with a willingness to continue improving them.
- Excellent English language skills.
- Enjoy working in international and interdisciplinary teams.

Our Offer:

- **Annual** gross salary starting at **€42.000,00**, with the possibility of a higher salary depending on qualifications and professional experience.
- Creative freedom within an innovative, internationally active textile company.
- Modern CAD equipment and professional working tools.
- A supportive and collaborative work environment where creativity is highly valued.
- Personal and professional development opportunities.
- Attractive employee benefits, including:
 - Sattler Health Program
 - Team activities
 - Company events
 - Corporate discounts with partner companies
 - Free parking
 - and much more.

Please send your complete application documents, including your portfolio, to our HR Manager
